

## School Vision and Values

### Our Vision

**At Ton Yr Ywen we are all dedicated to helping every child to flourish and achieve all-round success.**

We believe to achieve **all-round success**, children need to

- Be happy and self-confident individuals
- Be fit and have a healthy life-style
- Form positive and respectful relationships
- Develop a life-long love of learning
- Be literate and numerate
- Be knowledgeable and skilled
- Be responsible citizens of Wales and the world
- Be creative contributors and reflective thinkers
- Make good choices through knowing right from wrong

We aim to achieve our Vision by

1. Creating a school where everyone is safe, happy and healthy and where everyone strives to live by our 6 core values (responsibility, respect, courage, honesty, kindness and co-operation).
2. Creating a welcoming atmosphere where everyone is included and valued and where differences are celebrated.
3. Creating a relevant and up to date curriculum which inspires children to become confident and capable learners who are proud of their achievements.
4. Nurturing a lifelong love of learning through engaging learning experiences and high-quality teaching.
5. Encouraging children to make positive and creative contributions to their local community.
6. Working in close partnership with parents and the wider community to promote children's learning and well-being.

### Our Values

We focus on a different value each term and promote them in everything that we do. The first 3 are personal values and the second three are inter-personal.

<b>Responsibility</b>	Be reliable. Follow rules & keep promises.
<b>Honesty</b>	Be open. Tell the truth.
<b>Courage</b>	Be brave. Try new challenges. Keep trying when things are hard.
<b>Respect</b>	Be a good listener. Treat others the way you want to be treated.
<b>Caring</b>	Be kind. Help others.
<b>Co-operation</b>	Be a team player. Work with others to achieve things.
